

The “Dunarea de Jos” University of Galati together with the General Association of Romanian Engineers (AGIR) - Galati Branch organized on Thursday, 12 September 2024, starting at 10:00, in the Science Campus, Alexandru Ioan Cuza Hall, the celebration of the *Romanian Engineer's Day*. The event was attended by representatives from academia, the pre-university environment, engineers from various fields of activity and supporters of education in the fields of science and technology.

At the meeting, representatives of the Erasmus+ project, *STEM for Inclusive Schools* (project no: KA220-NW-23-23-30-151162), in which the “Dunărea de Jos” University of Galati is a partner, shared current details related to the STEM (Science, Technology, Engineering and Mathematics) concept, which has emerged as a 21st century educational priority, aiming to link students' deep learning with critical thinking and real-world connections and leading to a sound engineering education. The occasion also saw the launch of the pilot STEM education competition - *Panhellenic STEM Competition 2025*, an activity within another Erasmus+ project, *STEM Education for Primary Schools - STEM for Youngsters*, which gives students the opportunity to learn to think like an engineer, develop their creativity and get actively involved in the life of their communities.

Universitatea „Dunărea de Jos” din Galați

Asociația Generală a Inginerilor din România - Sucursala Galați -

Academia de Științe Tehnice din România

Perspective 2040 în știință și tehnică
Alexandru Mironov, senior-editor la Revista Știință & Tehnică

Portret de inventator
Doru Tătar, inginer constructor și inventator român

Educație STEM (Science, Technology, Engineering and Mathematics)
Carmen Rusu, Conf. dr. ing., Universitatea „Dunărea de Jos” din Galați

Lansarea competiției ”Panhellenic Competition” STEM 2025
Luigi Mistodie, Șef lucr. dr. ing., Universitatea „Dunărea de Jos” din Galați

Lansare de carte: „Noul drum al mătășii”
Marcela Ganea (profesor, traducător) și Alexandru Mironov

Ziua Inginerului Român

- 12 septembrie 2024, ora 10:00 -

**Campusul Științei, Str. Domnească nr. 111,
Corp AE, Aula Magna "Alexandru Ioan Cuza"**
